NEW PRODUCT ANNOUNCEMENT

THE MILITARY MILLIONAIRE

Your Path to Financial Independence—Through Military Service. This book outlines a clear, actionable plan to retire after 24 years in the military with over \$1 million in investments and nearly \$100,000 in annual retirement income by age 59½.

Using the Blended Retirement System, it guides you through 16 key financial decisions across your career—factoring in real-life milestones like marriage and children—while still living like the average American.

Build wealth. Live well. Retire strong.
